SEED GROWERS AND DEALERS.

Fremont, Nebr., Feb. 1, 1912.

NOTICE—ALL QUOTATIONS ARE MADE FOR IMMEDIATE ACCEPTANCE, SUBJECT TO STOCKS REMAINING UNSOLD AND CONFIRMATION OF ORDERS, ALSO STENOGRAPHIC ERRORS AND OMISSIONS, DELAYS AND CONTINGENCIES BEYOND OUR CONTROL. ALSO NON-WARRANTEE AS NOTED ABOVE.

TO THE WHOLESALE TRADE:

We enclose copy of our contract offer and order sheet quoting Sweet and Field corn, also Vine seed for next fall and winter shipment. We have made the prices for Sweet and Field corn consistent with the present market conditions which will have a large influence over the prices we shall be obliged to pay to get good farmers to contract Sweet and Field corn this spring. The prices are for recleaned and carefully hand picked stocks of Sweet corn, insuring the highest grade possible to obtain. The above will also apply to hand picked stocks of Field corn.

The prices for Vine seed are as low as good stocks can be produced and careful attention given to the harvesting, cleaning and hand picking of the stocks when necessary. Some so-called growers quote lower prices but they are not in a position to put the stocks in first class condition and do not have their seed cleaned and hand picked in a proper manner.

We also wish to call your special attention to the fact that the freight rates are cheaper from Fremont on Cucumber, Melons, etc. than they are from Colorado, Oklahoma and western Kansas points, sometimes being 1c in favor of eastern parties on Fremont shipments.

The prices quoted are for good sized quantities as we cannot afford to book small orders on the same basis as large quantities. We will quote special prices for carload lots of corn and large quantities of Vine seeds consisting of 500 lbs. or more of single varieties. Hoping to be favored with your esteemed orders by early mail, or a memo. of your requirements which we will give our usual careful attention, we remain

Yours truly,

Enc.
